Description

Not all Condos are created equal! FOR SALE, beautiful 2bedrooms, 2 baths property located in the coveted EL SECRETO CONDOMINIUMS. This home has all the features expected in quality craftsmanship. The beautifully landscaped public grounds provide an inviting entrance with lovely well-manicured gardens.

The unit is located on the second level offering unparalleled views of the beautiful public landscaping and the pool. Inside this home you will find a flowing floor plan that provides the best in living, dining and entertaining. The kitchen is equipped with custom cabinets that include a built-in wine rack and a granite peninsula that allows for family time and entertaining. The living room is accented with robust custom built-ins. The master en-suite is located on the main and provides an abundance of closet space. There is a second bedroom that the owners use as a private office.

As you top the stairs to the rooftop, there is a private glassenclosed sunroom providing views to the expansive gardens that the owners carefully tend to. Enjoy the peaceful beauty of this space and the many shrubs and delicate tropical plants.
